In California's June 2022 Primary Election

Get Ready

If you are already registered to vote, visit voterstatus.sos.ca.gov to make sure all of your information is correct:

- Check your home address and email address
- Sign up to receive elections materials in your preferred language by mail or email

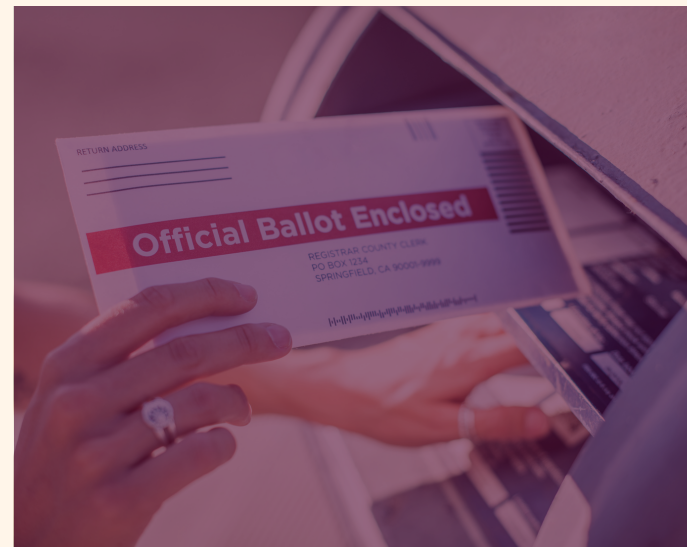

If you are not registered, you can register online at registertovote.ca.gov or get a form at the DMV, post office, library, or your county elections office. You can also register up to and on Election Day.

Option 1 - Vote from Home

If you're registered by May 23, you will receive your ballot in the mail. Fill out your ballot, place it in the provided envelope, and sign, date, and seal the envelope.

You can return the ballot by **mail**. No postage needed! Make sure it is postmarked before the end of the day on June 7.

You can also **drop it off** at your county elections office or any voting location. Most counties also have secure drop boxes that are available starting in early May.

Option 2 - Vote in Person

Election Day is Tuesday, June 7. Polls will be open from 7 a.m. to 8 p.m. You can look up your polling place at sos.ca.gov/elections/polling-place.

Many counties will also offer in-person voting from Saturday, May 28 through Tuesday, June 7. Check with your local elections office. You can look up voting locations & drop boxes at CAearlyvoting.sos.ca.gov.

To make voting in person even easier, bring the ballot you received by mail to your voting location.
